MANJEET

UI/UX Designer | Product Design | User Experience Research

PROFESSIONAL SUMMARY

Creative UI/UX Designer with 3.5 years of experience crafting user-centered designs for web, mobile, and SaaS products. Skilled in creating functional, accessible, and visually appealing experiences across industries like Immigration, Healthcare, EdTech, and Blockchain. Experienced in collaborating with cross-functional teams, driving design strategy, and delivering high-quality prototypes from concept to execution.

KEY SKILLS

Design: Wireframing, Interaction Design, Responsive Design

UX: Research, Usability Testing, Information Architecture, Journey Mapping

Tools: Figma, Adobe XD, Photoshop, Illustrator, Sketch

Tech: HTML, CSS, Web3 Design Principles

Collaboration: Developer Handoff, Design Systems, Accessibility (WCAG)

PROFESSIONAL EXPERIENCE

UI/UX Designer | NetworkZone (1 Year)

- Designed intuitive interfaces for Immigration, Cybersecurity, Tech, and Job Portal projects.
- Conducted user testing and feedback sessions to refine product usability.
- Collaborated with developers to ensure design accuracy during implementation.
- Delivered high-fidelity screens optimized for accessibility and responsiveness.

UI/UX Designer | MyHelp (6 Months)

- Designed healthcare dashboards and mobile apps for UK-based clients.
- Improved user experience and visual hierarchy across modules and campaigns.
- Created social media assets aligning with brand tone and digital strategy.

UI/UX Designer | Asquar (2 Years)

- Designed websites and mobile apps in healthcare, e-commerce, blockchain, and education.
- Built end-to-end design flows—wireframes, prototypes, and user journeys.
- Designed trading platform interfaces for blockchain applications.

EDUCATION

Bachelor's Degree — Gurugram University (2019–2022)

12th (C.B.S.E) — Universal Public School (2018–2019)

CAREER OBJECTIVE

To contribute as a UI/UX Designer by creating intuitive, user-focused, and visually engaging digital experiences. I aim to combine creativity and usability principles to design impactful solutions that enhance user satisfaction and support business goals, while continuously learning and growing in the field of product design.
