SUMANT

AWS Cloud Engineer

PROFESSIONAL SUMMARY

I am an AWS Cloud Engineer with over 5+ years of experience focusing on automating infrastructure, managing scalable cloud environments, and cost optimization using tools like AWS, Terraform, and CI/CD pipelines. My expertise includes AWS services, Jenkins, and strong monitoring capabilities with CloudWatch. I thrive in building secure, high-availability systems while streamlining workflows, leveraging my process-oriented mindset from a background in US healthcare operations.

TECHNICAL SKILLS

- Cloud Platforms: AWS (EC2, S3, IAM, VPC, Lambda, RDS,DynamoDB etc)
- DevOps & Automation: Git, Jenkins, Terraform
- Scripting language : Bash, Python
- CI/CD: Jenkins Pipelines
- Monitoring & Logging: CloudWatch
- Version Control: Git, GitHub
- OS & Servers: Windows, Linux , Apache

WORK EXPERIENCE

Technocraze Computing SolutionsPvt Ltd , Sr. Associate **Jul 2022 - Mar 2024**

- Delivered AWS based solutions for mid-sized clients
- Worked on daily activities as an AWS administrator (EC2, RDS, S3, ELB, EFS, Auto Scaling, Route 53 etc.)
- Implemented CI/CD pipelines using Jenkins and GitHub Actions, reducing deployment times by 70%.
- Worked with Terraform script for creating new infrastructure or adding any required services on the existing infra.
- Managed and created Linux servers on AWS and websites hosted on them.
- Created and managed RDS instances and MySQL databases.

Wipro LTD, Associate **Jan 2022 - Jul 2022**

- Supported AWS environments for enterprise clients, handling IAM, EC2, S3, and networking issues.
- Assisted with CI/CD setup and troubleshooting deployment pipelines.
- Created scripts for automated backups and instance monitoring.

Technocraze Computing SolutionsPvt Ltd , Sr. Associate **Feb 2021 - Jan 2022**

- Deployed and managed cloud-native applications using AWS EC2, S3, RDS, and Lambda.
- Supported migration of on-prem workloads to AWS.
- Created monitoring dashboards using CloudWatch and alarms for critical resources.

Gack Billing Services (OPC) PVT LTD, Sr. AR Associate **Apr 2019 - May 2020**

- Handled complex AR claims, reducing resolution time by 30% through workflow optimization.

MDEverywhere India Pvt Ltd, Claims Associate **Feb 2018 - April 2019**

- Processed medical claims with a 98% accuracy rate in a high-volume environment.

PROJECTS

Infrastructure Provisioning & Deployment for FinTech Client
Designed and deployed a multi-environment infrastructure for FinTech startup using Terraform, , and AWS ECS Fargate, enabling automated CI/CD with GitHub Actions and CodePipeline.Specialization in Advanced Manufacturing.

- Provisioned VPCs, EC2 , and RDS PostgreSQL using IaC for dev, staging, and production.
- Integrated GitHub Actions and CodePipeline for seamless containerized app deployment across environments.
- Leveraged Docker and AWS Secrets Manager to manage microservices and secure configurations.

Cost Optimization for Healthcare SaaS Provider
Reduced AWS spending by 30% for MediLogic through Lambda-based automation, Athena cost analysis, and AWS Budgets with real-time alerting via SNS.

- Automated EC2 and RDS shutdowns in non-peak hours using Lambda and CloudWatch Events.
- Used AWS Budgets and Cost Explorer to track expenses and push alerts to Slack and email.
- Queried AWS Cost and Usage Reports (CUR) with Athena and visualized savings opportunities using QuickSight.

Logging and Monitoring Setup for E-commerce Platform
Implemented a centralized logging and monitoring solution using CloudWatch, and AWS X-Ray to enhance observability across ShopTrendz's microservices.

- Centralized ECS and EC2 logs in CloudWatch Logs, with alarms and custom dashboards.
- Monitored metrics via CloudWatch, with alerting through SNS and Slack.
- Enabled distributed tracing with AWS X-Ray to identify bottlenecks and reduce response time.

TRAININGS ATTENDED

- AWS Solutions Architect – Associate (Online Bootcamp)
- Completed online Bootcamp (Simplilearn) – AWS Cloud hands-on labs
- Docker
- Kubernetes

EDUCATION

Bachelor of Technology in Computer Science **2016**
Dr. A.P.J. Abdul Kalam Technical University
