Dear Sir,

I hope you are doing well.

I am writing to formally resign from my position at **Vissol VassuTech Services Pvt. Ltd.**, effective **15 July 2025**. This decision did not come easy, as my time with the organization has been incredibly rewarding both professionally and personally.

Over the past 2.5 years, I have had the privilege to work alongside a talented and supportive team, contribute to impactful projects, and develop both technical and leadership skills. I am genuinely grateful for the opportunities I've been given here from challenging assignments to the trust and mentorship that have shaped my career.

However, after careful consideration of my long-term goals and aspirations, I have decided to explore a new opportunity that aligns with the next phase of my professional journey. This step is essential for my continued growth and learning.

Please rest assured that I am fully committed to ensuring a smooth and seamless transition. I will complete all ongoing responsibilities, document critical workflows, and assist in handing over my duties to the designated team member(s). Do let me know how I can be most helpful during this time.

Thank you once again for your guidance, trust, and the positive work environment I have experienced throughout my tenure. I will always look back on my time at Vassutech with appreciation and respect.

Wishing you and the team continued success ahead.

Warm regards,
Pintoo Kumar
