How It Works | Why DogeGF | Learn | Connect Wallet

Send Kindness,Onchain.

Send Onchain gifts in seconds. DogeGifty makes it easy to spread kind gestures. Powered by DogeGF.

Create a Gift Pack

Choose an amount, add a message, and send crypto as a unique digital gift.

Start Gifting

Claim a Gift Pack

Your gift is ready to claim. Just follow a few steps to unlock it.

Start Claiming

How It Works

Kindness, Sealed & Delivered (On-Chain)

Create a Gift Pack

Add tokens, NFTs, or both whatever kindness looks like to you.

Generate a Secret Code

Lock your gift with a unique code. The pack goes into escrow until someone claims it with the code.

Share & Surprise

Send the secret code to a friend, loved one, or stranger. Only they can unlock the pack and claim your gift.

Coming soon..

“Kindness for Causes”

We’re building tools to support NGOs, associations, and community initiatives.
Soon, you’ll be able to send gift packs directly to verified causes transparent, secure, and full of meaning.

Let’s Make it Personalize

Write something meaningful, playful, or mysterious. It’s your message, your vibe.

You’ve been amazing lately. Here’s a little surprise.

Seal the Gift

We’ll create a unique secret code for you. Share this code with someone privately—they’ll need it to claim the gift.
