DEMO

PROFESSIONAL PRESENTATION

Emil Käldman

Mads Trippestad

OUR GOAL..

We want to dive deep into a system that allows us to add 5 **QUALIFIED** & **WARM** sales calls to you every single week...

And furthermore, a predictable system that gets you enough customers to not think about acquisition for the next years.

How can we make it unreasonable for you not to grow?

Step 1

Analyzing the market landscape

Step 2

Build an omni channel and Nurture all sales qualified leads

Step 3

Book Meetings & Optimize Digital Presence

Step 4

Closing the deal

Step 5

Secure long-term collaboration

Step 6

Scale & Optimize

Master those 6 steps and you'll never have to worry about where your next client will come from..

It’s quite simple - but hard to master as nobody seems to have the formula for sustainable & scalable growth...

Total outbound machinery → **Evergreen Client Acquisition Machine**

Step 1:

Analyzing the market landscape

- ICP & Targeting
  - Market understanding
  - Analyze past case studies & projects
- Scrape leads & enrich leads

ICP & Targeting

- Market Understanding
  - Define characteristics
  - Identify needs and challenges
  - Framing
- Analyze case studies & past projects
  - Optimize the starting point
  - Decrease chances of mistakes
- Scrape look-alike leads
  - Enrich the data

Total outbound machinery → **Evergreen Client Acquisition Machine**

Step 2:

Build an omni channel and Nurture all sales qualified leads

- Using our own tool we have built
  - Email
  - LinkedIn
  - Cold Call
  - SMS

Campaign setup

- Use your lead list from step 1
- Intent Signals
  - Personalization
  - 3-4 pain points
  - Solution to solve the pain points
  - Business Achievements
- No-Brainer Offer
  - Unbeatable value proposition
  - Differentiate you from your competitors
- Lead magnet
  - Actionable next step
  - Low-Commitment Offer

Cold call

- Introduction
  - Personal introduction
  - Generic outcome focused approach
  - Need approval for a 30 seconds pitch
- Quick Value Proposition
  - Brief value statement related to the prospect's industry
  - Generic outcome focused approach
  - Need approval to ask questions
- Questions
  - Ask targeted questions to find potential gaps
  - Identify challenges related to your solution
- Value-Driven Statements
  - Address their specific challenges
  - Provide value based on their responses
- Call to Action
  - Next steps
- Objections
  - Have pre-prepared responses for common objections

Retarget
Don't waste any leads

GROW B2B

www.grow-b2b.com

Weekly target matching ICP:
100 leads daily X 5 = 500 weekly

Responses:
500 X 10% = 50

Interested leads:
50 X 10% = 5

Meetings booked:
5 X 80% = 4 meetings p/w

Monthly meetings at minimum:
4 X 4 = 16 p/m

Qualified meetings:
16 x 50% = 8

Closed clients:
8 X 30% = 2,4

Average Return-On-Investment:
2,4 x your deal sizes LTV

What we need

- Calendar access
- Questionnaire
- Insight into existing inbound marketing strategy
- Access to marketing materials
- Weekly updates and daily communication

Day 1

From the day you decide to continue, we'll do the following will be set in place:

- Signed agreement
- Communication platform
- Questionnaire
- Expectations, timeframe and Next steps

Day 2

- Onboarding/Strategy call
- Discuss responses from the questionnaire
- Present the strategy we intend to implement
- Set up weekly meeting

Week 1

The first week we will:

- Campaign strategist
- Outbound Marketing (Email, Linkedin, Calls, Voice-drops, Video recordings)
- Lead Research (2,000+ Fresh and human researched Records that perfectly match ICP)
- CRM integration
- DNS Config + Email Warmup

Week 2

The week before the official launch we will secure the following:

- Offer Optimization
- Sales Process Optimization
- Copywriting
- Sales Development Representative (SDR)
- Customer Success Manager (CSM)

Week 3

When we will have the first campaign launch

← **Launch**

Month 1

From the very day we launch we will secure the following:

- Weekly Status call with CSM to improve and optimise to the sale
- Secure Operational Standard Bookings (3-5 SQL's per week)
- A/B Testing Offers, Angles, Backend, Sales Processes etc.

Month 2

By the end of each monthly cycle from the first campaign launch we will deliver on the points outlined below:

- Provide detailed report of the following:
  - Targeted Leads
  - All scripts utilized in outreach
  - Campaign Performance
  - Strategic Adjustments

Month 3

By the end of the third month, we will achieve these goals:

- 20 qualified meetings, approved by you
- If we don't meet the target by the third month, we'll continue at no extra cost until 20 qualified meetings are approved.

Month 4+

After the first 3 months we will:

- Guarantee you 8 qualified meetings p/m
- Ongoing performance tracking and optimization
- Dedicated support
- Scalable solutions

Does this seem like the *right* solution?
